RIPTUNES

Digital Media Player

MP 1874

DIGITAL MEDIA PLAYER

Make a personal statement with Riptunes' hippest of digital media players. Choose a color that complements your personal style – white, black, blue, red, pink or silver – and see heads turn whenever you pull it out.

The voice recording feature of the feather-light Riptunes MP1874 can help boost your productivity in a range of settings: capture detailed information from meetings and lectures for review later on, or leave yourself reminder notes.

With audio, video, photo and e-book compatible formats, a built-in FM radio and eight supported languages, the Impecca MP1874 packs a real punch. And besides the USB port, an AC adapter is included in the package – a unique offering that will appeal to value-minded customers.

Even the packaging of Riptunes' MP1874 is hip and cool, which makes it an ideal gift item for any occasion. Judging by the huge demand for this item, we'd say the word about style and value is definitely out!
